

Wollaston Child Care Center

Permission Slip for Walking Fieldtrips

Here at the WCCC part of the Center's social studies program is to participate in walks into the community and to visit our neighboring businesses. Our Walking Fieldtrips include the following:

- Walks around the neighborhood to notice the seasonal changes and to study the environment.
- The Fenno House, Assisted Living Program, 540 Hancock Street, Quincy, MA.
- The Wollaston Fire Station, located one city block away, on Beale Street, Quincy, MA.
- Hannaford Market located two city blocks away, on Hancock Street, Quincy, MA.
- Wollaston Library, Beale Street, Quincy, MA.
- On occasion we may visit other businesses in Wollaston Center.

Walking fieldtrips around our neighborhood may take place during good weather any time from 9:30 a.m. to 11:45 a.m. or 3:00 p.m. to 4:00 p.m. However, whenever we have planned a trip for one of the destination mentioned above, that supports our curriculum development, we will inform you of the date, time and destination of the walking fieldtrip.

Authorizations consent forms for emergency medical treatment are with the staff whenever the children leave their classrooms.

We always maintain the proper classroom ratios throughout the day and our children use a walking rope with handles.

I give permission for my child to attend and participate in the above-identified off-site activities.
