Dental Health Month

February is

Children's Dental Health Month!

February is dental health month! Developing good habits at an early age and scheduling regular dental visits helps children to get a good start on a lifetime of healthy teeth and gums. We will be having a dentist come in to talk to the children about the importance of taking care of our teeth. Mass Healthy Smiles will also be coming in to do check-ups and fluoride for the families that sign up. Please see a staff member to get more information if you would like.

Annual Lunar New Year Market and Food Festival

Chinese New Year is the most important holiday for Chinese families as it is a time of reunion and thanksgiving. This festival is one of the most popular and largest celebrations of the Lunar New Year in Massachusetts. Each New Year is named for one of the twelve animals. According to ancient legend, the Lord Buddha once summoned all animals to come to him. Join QARI on Sunday,

small cupcakes are welcomed.

Please let a staff member know in advance what you would like to do, so we can plan accordingly. As always nothing with or made in factory with NUTS! Thank you!
